PREFERRED & ENDORSED BY

Willow Risk Advisors is a leading provider of Professional Liability (Malpractice) Insurance, with a special focus within the healthcare practice industry.

The Community Oncology Alliance (COA) has chosen The Doctors Company, part of TDC Group, as the exclusively endorsed medical malpractice insurer for its members.

COMPREHENSIVE PERKS FOR COA MEMBERS

- Qualifying members can enjoy a claims-free credit of up to 25 percent, coupled with additional discounts.
- Qualified members receive free retirement tail coverage.
- Access to on-demand and web-based CME courses at no cost.

VIGILANT ADVOCACY IN AND OUT OF THE COURT

- Our robust consent-to-settle guarantee stands as an assurance, where permitted by law.
- We empower physicians to actively engage in their defense through education, drawing on our extensive nationwide experience in litigating oncology claims.

STRENGTH, SOLIDITY, AND UNMATCHED SAFEGUARDS

- A vast network of 89,000 members nationwide and assets exceeding \$6.9 billion.
- Rated A by AM Best and Fitch Ratings.
- Our coverage solutions provide protection against cyber threats and regulatory reviews.

RECOGNIZING MEMBERS, NOT SHAREHOLDERS

- The Tribute® Plan, an unparalleled financial career award, acknowledges doctors for their loyalty and dedication to practicing good medicine.
- A total of over \$455 million in dividends declared since the program's inception in 1976.

“The Doctors Company was able to provide my practice with a competitive alternative to our previous carrier and presented various coverage options and consultative ideas as we brought on new physicians.”
